PARKING!!

Over this week we have had three separate complaints about the poor parking and decision making of car users when arriving or leaving school.

I have requested Police Community Officer presence and also referred onto to Highways and our local Councillor: Roger Ryan. Please also contact these agencies to register your feelings:

r.ryan@cllrnorwich.gov.uk

We are also meeting with a local residents group looking at positive solutions to this issue.

But...in the meantime...our pupils want you to:

PARK SAFELY!!

Go by the speed limit

Leave spaces between cars

Pay attention!!

Remember we're only little and you may not see us

Never park on the zig-zag lines-they're for ambulances or fire engines to keep *US* safe

Don't just stop on the road

Try not to block the pavements

(Magpies Class Year 2- who had plenty more they wanted to add...!!!)
