

# Recreation Road Infant School

## Newsletter 4

December 2015

**We would like to wish you all a very happy Christmas and a healthy and peaceful New Year.**

### Coffee Morning

Does your child only eat certain things? If you would like to find out from our school nurse more about how to manage "Fussy Eating" then please come along to our coffee morning on Thursday 10<sup>th</sup> December 9:00 in the hall. There will be drinks and biscuits for those who are not fussy eaters!

### Lost Property!

It is overflowing! So please come and take items that belong to you. We will put the items out each morning next week (weather permitting) and after that anything left will go to charity.

### Scooters

Please do not leave scooters on the premises during the day or overnight unless they are secure. We have had some go astray and cannot be responsible for those that are left here.

### After School

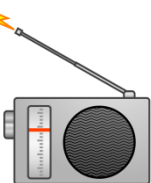

Sadly we have had a number of incidents where little children have wandered into the building after school without their parent being aware. Our site is large and it is really important that all children are supervised both before and after school. In light of this I am aware that some of our children have needed to be reminded about appropriate behaviours whilst waiting for older siblings at Avenue Junior School. I am sure that all parents and carers can talk to their children about appropriate behaviour and ensure that they are supervised whether on our site or that of another school.

### Recreation Road Radio

I hope that you have all had an opportunity to listen to our Radio broadcasts on Friday afternoons-either live or as podcasts. The Digital Leaders and Louise Stone are working very hard on delivering this and the children in school have really enjoyed listening in and participating in the broadcasts.

Just look for the Recreation Radio Link on our school website.

## Digital Leaders

Our Digital Leaders have been invited to present their work at BETT Conference in London in January. This is a very large and prestigious national event focussing on digital education. We'll look forward to hearing more about the event next month.

## Christmas Activities

Our Year 2 groups are off to entertain elderly residents at Violet Elvin Court and Jessopp Road Lunch Club. All year groups are rehearsing their Christmas songs ready for their performances in the last week of term.

Thank you for joining us to help make Christmas decorations-I hope you had fun. Each class has also made a beautiful wreath. They are on display in the hall. Thank you to all of our Nest groups as you helped to decorate our Christmas tree.

This week we have been thinking about the meaning of Advent and also how Christmas was different in the past. On Monday we will be welcoming the vicar from St Thomas' Church who will be telling the children all about the different symbols and images that they might see in a Church.

## PTA

Hopefully you have put in your orders for Christmas cards as designed by your children.

Each class now has a colourful box which we hope will be filled with goodies as part of our Hamper Raffle. Please add something in your class colour and also buy some raffle tickets...

## Sunflower Club Job Vacancy

Please have a look at their website as they have a vacancy for an assistant manager to cover maternity leave. Contact Lorna to find out more-sunflowerclubnorwich@gmail.com
