

RECREATION ROAD INFANT SCHOOL NEWSLETTER 11 JULY 2009

Thank you all for a wonderful year at Recreation Road Infant School. We have all enjoyed a wide range of learning experiences and activities and have enjoyed working with you all.

We would like to wish all our leavers a very happy and successful future-keep in touch we'd love to know what you get up to!

Thank you to our hard working and supportive Governing Body and our wonderful PTA. Many thanks to all the parents and volunteers who have helped in our school this year. We hope you all get a well deserved rest over the summer.

Possible Building Work

Over the summer we are hoping to start building work on the front entrance to the school. This will provide a more secure pedestrian entrance, a bigger reception area and office and two new meetings rooms. We are still awaiting planning permission but work will begin once this has been secured.

It will mean that when you come back in September there will need to be different access routes and our office location will be in a temporary site. Please refer to our website during the holidays to keep updated.

Outdoor Learning

Our outside classroom has now been installed and the sails have been fitted. Thank you to the PTA for purchasing this. It will be very well used next term.

The Crows class have been working with Kevin Lee (thanks so much Kevin) designing and making a sculpture which will be the centre of our sensory garden. This project will be continued next term so watch this space. Our fruits and vegetables are growing well and many children have enjoyed trying new flavours and tastes.

Sports Week-Whole School daily warm-up June 29th-July 3rd

Lost property

Please come and collect any lost property this week. It will be on display on Tuesday and Wednesday morning and then any item left will be given to charity.
