Recreation Road Sports Centre Fitness Festival 2009

On Sunday September 13th, 2009, Recreation Road Sports Centre held its first Fitness Festival. The aim of the day was to raise money for the British Heart Foundation and for sports equipment for the three local schools, Recreation Road Infants School, Avenue Junior School and Parkside Special School.

The day consisted of a 5k fun run, which started at the sports centre field and went as far as Eaton Park and back, Heigham Park Rangers v Horsford, fun games and skills from City of Norwich Athletics Club coaches, a Kung Fu demonstration as well as stalls from the local Green Grocers and the British Heart Foundation.

I would like to say a big thank you to everyone who helped make the day such a fantastic success, and we hope to see more people at next year's Fitness Festival.

FOCUS ON...

THE GREEN CANARIES WHEELCHAIR BASKETBALL CLUB:

The name The Green Canaries was formed in March 2007. As an experienced wheelchair basketball player for many of years playing in The Great Britain Wheelchair Basketball Leagues and travelling to London just to train every week, I came up with an idea to form an Adult/Junior Club in Norwich.

At first, we played at the UEA for 6months, but it was difficult with regards to transporting the sportchairs and having no storage, so we moved to Recreation Sports Centre. This turned out to be a very positive decision and we have been running ever since. Now with the Sports Centre's Leisure Assistant, Tim has given the club support throughout and his skills to help the club develop and increase the interest.

We currently have 20 members but slowly increasing with the love of basketball. We are here to provide the local community a place to train every week and enjoy the participation that brings to all. The goal of the club is the participate in a league and with the committed players we have, we are hoping to the joining the GBWBA National League in the near future

Yours In Basketball
David Green
Chairman Green Canaries

The Green Canaries Wheelchair Basketball Club is the only wheelchair basketball club that is independent with a mixed range of ages and disabled and able-bodies players. The club trains at Recreation Road Sports Centre every Saturday, 3.30pm-5.30pm. For more information, contact David Green on 01603-479833 or e-mail:david.green77@ntlworld.com
