October 2009**

Dates for your diaries:

**Week beginning Monday 19th Oct;
Parent-Teacher Interviews (Please look out for the sign up sheet in your
classroom to book an appointment.**

Half Term Monday 26th October –Friday 30th October

Monday 2nd November-School Closed for Staff Training Day

MacMillan Coffee Morning

Thank you to everyone who joined in with this event. We managed to raise £218.54.
Well done!

Choir

Our Year Two Choir are already working on songs for the Norfolk Music Festival in March. We would really welcome a pianist who could accompany the children during their performance so that Mrs Lewis and Mrs Wuest can work on conducting.
If you are able to help please see Mrs Lewis or Mrs Wuest.

Family Learning Events:

We have had really good take-up for our Family Events so far this term and hope to continue to run similar events throughout the year. Please look at our school website after half term for information about future events.

Would you like to donate a spring-flowering bulb to our Gardening Club?

We'll be leaving a bucket out in the office next week for any spare bulbs you may have.

Below is a list of the current school Governors with any specific link roles they have. If you want to get in touch with a Governor for any reason, please leave a message for them at the school office.

Peter Threadkell	Local Authority	
Sue Walters	Staff	
Toby Whalen	Parent	Educational Visits/ Child Protection

(Other Class Links to be confirmed)

Learner Values

We have been working on Learner Values with the children this half term and will be continuing to discuss these attributes with the children as we go through the year.

In assemblies we have talked about:

Responsible Learners, Resourceful Learners, Resilient Learners and Open-Minded Learners.

The children have heard stories to explain these qualities and have also been using these terms to describe their own actions and that of others.

On our website you will find a complete list of the Learner Values we will be exploring with the children.

Our display in the hall will also start to give examples of these values in action.

ECO COUNCIL NEWS

Eco Council have been working on creating bug homes ready for the winter months as well as learning more about varieties of moths and butterflies. Our new reception children have now also joined Eco-Council and so are beginning to get involved in environmental issues.
