

Maths Events

Thank you to everyone that managed to attend either a classroom based maths event or the session led by Michael Bunting and Luke Wheeler. We have had some very positive feedback about the usefulness of these sessions.

We have Maths Packs available from our school office for those of you who wish to continue your exploration into number at home. The packs cost £2:00.

There are also some ideas for exploring maths at home on our school website.

Parent- teacher Interviews

These are happening this week so please make sure that you have arranged a time slot with your child's teacher. If you are also bringing younger children please ensure that any toys/ resources that they use whilst waiting are tidied away. Thanks

Attendance

This week we will be awarding certificates to those classes that have not only the best weekly attendance but also the best half termly attendance. Currently our overall school attendance is 96%. However, there are still children who are not being brought on time each morning. This has a detrimental effect on both the child and also the rest of the class as a late arrival can disturb the learning that has already started. **Please do your very best to get to school for 9:00 each day.**

Book Swap Event

Thanks to Kit Dunthorne, Tony Yallop and PTA members for arranging this event. Hopefully you all got some new reading material and had time for a coffee and a chat. PTA also held a successful Family Games Evening on Friday night. Many thanks.

Writing

Overleaf we have published some of Magpie Class writing. We hope you enjoy reading it. In our library/ family room Year One have extracted to put together a display of their writing. Please come in and read it.

Dates For Your Diaries:

Last day of Spring Term - Friday 4th April
Staff training day School Closed - Tuesday 22nd April
