Parent / Visitor Behaviour & Respect Policy 2019-20

AMENDED IN RESPONSE TO COVID-19

Rationale:

We want all our staff, children, parents and visitors to have a safe and protective environment in which to work. Behaviour that is unsafe or causes harassment, alarm, distress or intimidation to the users of the premises is contrary to the aims and values of our school.

Aims:

- That all members of the school community treat each other with respect and act appropriately

Expectations:

- That adults set an excellent example to children at all times, showing them how to get along with all members of the school and wider community and following school rules. These include rules put in place by the school and / or the government in relation to Covid-19. Please see government guidance for further information: <https://www.gov.uk/coronavirus/education-and-childcare>
- That no members of staff, parents, children or visitors to our school are victims of abusive behaviour or threats from other adults.
- Physical attacks (including deliberate spitting and / or coughing at others), threatening behaviour, abusive, insulting language verbal or written to any user of the school premises will not be tolerated and may result in the withdrawal of permission to be on the school premises as well as further legal sanctions.
- Any parent who is asked to leave the school premises will have the right to appeal the decision by writing to the Head and Chair of Governors.

Where possible the school will aim to work constructively with all parties to address any issues however, unacceptable behaviour may result in the police and / or Children's Services being informed.

The school reserves the right to take any necessary actions to ensure that members of the school community are not subject to abuse or unsafe behaviour.

School premises are private property and parents have been granted permission from the school to be on the premises. This permission can and will be revoked if necessary.

This policy will be reviewed annually.
