Head Teacher: Michael Bunting ♦ Assistant Head Teachers: Susanna Manrique and Sheree Brock

18th November 2020

Dear parents and carers,

Admission into Reception Classes – September 2021

We very much hope that you and your family are keeping safe and well despite the many challenges of this year.

Around about now, we would be getting ready to welcome you to our school for some face-to-face open evenings. However, this year we're having to find different ways to connect. As a parent of two children myself, I understand that choosing a school for your child is a daunting and important decision. To aid your decision-making, we have a number of ways in which you can gather the information you need.

- **Our Remote Prospective Parents' Evenings via Zoom** – Wednesday 25th and Thursday 26th November at 6:00pm. At these meetings, you'll have a chance to:
 - 'meet' me and the team;
 - find out more about our school;
 - get your questions answered. We'd prefer it if you can submit questions in advance as this will help the meetings go more smoothly – you'll find out how to do this below.

If after the meeting you have any specific questions relating to your child, we're happy to discuss these with you. Just contact us via the details on our letterhead above.

- **Our virtual tour of the school and Reception Classrooms** – this allows you to 'walk around' the building and listen to staff, without even having to visit. You can find it [here](#).
- **Our school website** – You can visit www.recreationroad.com to find out more about our school.
- **Our revamped school prospectus** – Our new prospectus is available [here](#). We hope that it gives you a good flavour of our school and its ethos.

How to join one of our Remote Prospective Parents' Evenings

You can join on your computer, tablet or mobile phone by clicking on the following link: <https://zoom.us/j/93122585634>. The same link will work for both meetings.

How to submit your questions beforehand

You can submit your questions by clicking [here](#). Alternatively, you can scan this QR Code: Questions can be posted before 5:00pm on Tuesday 24th November.

We're very much looking forward to meeting you all!

With warmest wishes,

Michael Bunting, Head Teacher
