Targeted School Improvement Plan Newsletter

Newsletter – what it's about!

This newsletter is to introduce our School Improvement Plan for this academic year. Over the next ten weeks we will be focusing on writing across our school with the vision to significantly improve children's skill and engagement as writers, as well as supporting children in becoming lifelong lovers of learning.

Below you will see more about our vision and the key milestones we will be implementing.

Our vision for children...

- Children take pride in their work.
- Children love writing and want to do it more.
- Children have self-confidence when writing.
- Children want to share their writing.
- Children know the purpose of their writing and write for different purposes and audiences.
- Children will talk about what makes a good piece of writing and know how to improve.

Our vision for parents/carers...

- You will have the opportunity to see your child's writing.
- You will understand what expectations for your child look like.
- You will be able to support your child with some areas of their writing at home.
- You will be able to join us in celebrating children's writing!

Key milestones...

Alongside key milestones being implemented in school, you will..

- Be able to explore a piece of work from a child working at the expected standard for this point in the year from your child's year group.
- Be kindly asked to fill in a short questionnaire about your child's writing – this will be emailed to you in a few weeks time - we want to hear your voice!
- Be able to take part in a fun writing challenge at home with your child!
- Join us for Show and Shares – W/C 31/10/22 – an opportunity for you to come and see your child's work.
- Join us for Phonics Cafes – W/C 21/11/22 – an opportunity for you to watch a phonics lesson.
