

Recreation Road Infant School PE and Sport Premium 2017-18

THIS PLAN IS CURRENTLY UNDER REVIEW DUE TO A CHANGE OF HEADSHIP FROM JANUARY 2018. A NEW PLAN WILL BE PRODUCED BY THE END OF THE SPRING TERM 2018.

Our Aims:

To engage all pupils in physical development so that:

- ✓ They see themselves as being able to participate
- ✓ They start to develop good habits and lifestyle choices
- ✓ They enjoy Physical Development and are able to work within their own levels but also set themselves challenges
- ✓ They can begin to access facilities within the local area to develop sport
- ✓ They understand and benefit from a growing sense of teamwork, challenge, discipline and competition
- ✓ Make the very best of the site facilities eg field, sports hall and pool

Ofsted Oct 2014- “High profile is given to skills development (in PE) and to supporting pupils to understand good habits and lifestyle choices.”

Further development:

- ✓ We have achieved Healthy Schools Status (April 2015)
- ✓ Lower than Norfolk average for obesity amongst EYFS pupils

Funding for 2017-18

Our total allocation for Pupils in Years 1 and 2- £9,185

Our focus this year is to continue to extend Year 2 participation in swimming by enabling children to swim more regularly and to enable them to gain water confidence and increase strength and aerobic capacity through movement in water. This provision has been supported by the allocation of the PE and Sports Premium along with additional funding from the main school budget.

To monitor the impact we will:

- Use observations and assessments of progress
- Undertake pupil and parent questionnaires
