<i>From Monday 18th September all pupils will be expected to attend daily on a full-time basis (8:50-3:00), unless otherwise agreed.</i>					

- Our staggered start to school allows children in small groups to get to know their class teachers and teaching assistants as well as the school environment. It also gives us every opportunity to ensure that the children have a smooth and positive start to school and that we are able to form meaningful relationships with all of you.
- Evidence has shown that this gradual and staggered start to school enables the children to build good relationships and feel happy about being at school. This is particularly important when the children stay all day, as they will need to be familiar and secure in the routines and expectations of school.
- Please note that even if you are thinking that your child will be attending with us on a part time basis, we encourage you to allow your child to fully experience the induction process, following the timetable *until the end of week 2*.

* The 10 minute parent meetings will be an opportunity for you to come into school with your child and have a chat with their class team. A booking form will be available at a later date.
