Where Can I Park?

We understand why parents want to park as close to school as possible, but each day this causes dangerous situations, upsets and frustrations between parents and local residents.

To aid parents with drop-off and pick up, we operate an extended period of the day for this so that parents with cars do not block the road. The school gates open at 8:45am and close at 9am. And again at 2.50pm to 3.05pm

Please do not block access to residents' drives or restrict visibility of other motorists. Please do not park in school or sports centre car parks. There are places near to the school where it is both safe and legal to park, even if these are a couple of minutes' walk away.

Motorists who park inconsiderately run the risk of injuring or even killing a child walking to school or trying to cross the road.

Motorists who park illegally run the risk of receiving a penalty.

At Recreation Road we teach the children to be Ready, Respectful and Safe and our Leaner Values include Caring and Collaboration.

Please model these to your own children by parking respectfully and safely, being mindful of local residents and other motorists.

It is upsetting for children to witness angry incidents around parking issues.

How to report incidents

Moving Traffic Offences (Speeding, Aggressive Driving, Overtaking) or vehicles parked dangerously or blocking visibility near a school crossing, can be reported by calling 101 or using the Norfolk Police Contact Page - - https://www.norfolk.police.uk/contact/af/contact-us-beta/contact-us

For standard parking violations (like parking on yellow zig-zag lines during restricted hours), report it to Norwich County Council's parking enforcement team to alert local enforcement officers - https://www.norwich.gov.uk/parking/illegal-parking

Watch out for Children Crossing

Think before you park

Safer Parking Near School

Parking in, around and near to most schools is a major problem which needs to be addressed.

Our number one priority is ensuring that children are safe walking in, out and around the school premises.

Motorists should be more cautious and think before they park.

Inconsiderate parking causes congestion and also endangers lives.

All motorists should be cautious and think before they park.

The Problems

Vehicles causing congestion near our school by obstructing the road, or parking in an inconsiderate manner.

Vehicles parked on keep clear markings and Zig Zag markings outside school.

Dropping off children right outside the school gates and causing an obstruction.

Parking on pathways.

Parking across dropped kerbs.

Cars parked across neighbours' driveways.

Waiting on yellow lines until children finish school at home time.

The Solution

Do not park on zig zags or wait on yellow lines.

Be considerate and do not stop in the middle of the road.

Park vehicles in safe places, reading road restriction signs to ensure stay is permitted.

Do no park across dropped kerbs.

Do not park on the pathway or block neighbours' driveways or entrances.

Walk the last part of your journey.

Slow Down! Speed kills!
